

Build the Aqueduct: Kahoot polls

Group E, EMBA Self-Leadership Week, Segovia. 3 poll questions for a live game.

Instructions for creating this Kahoot

- Create exactly 3 questions. Do not add, remove or merge questions.
- Question type: **Poll**. There is no correct answer and no points. If Poll is not available, use Quiz and mark **all four answers as correct**.
- Use the question and answer text exactly as written. Do not rewrite or shorten it.
- Keep the answers in the order shown: Answer 1 (red triangle), Answer 2 (blue diamond), Answer 3 (yellow circle), Answer 4 (green square). **Do not shuffle answers**.
- Time limit: 20 seconds per question. No images needed.

All 3 questions are on page 2, which also repeats the key rules, so page 2 can be used on its own.

Create a 3-question Kahoot. Poll type, no correct answer (or Quiz with all four answers correct).
Use the text exactly as written. Keep the answer order: 1 red, 2 blue, 3 yellow, 4 green. Do not shuffle. 20 seconds each.

Question 1

You asked Marta. She says: "I don't feel I can disagree with you in meetings. You've decided before we talk."

■ Answer 1	From tomorrow, ask for everyone's view before you give yours.
■ Answer 2	Change how you run meetings, and at the next one say why.
■ Answer 3	Explain you always ask for input. Encourage her to speak up more.
■ Answer 4	Thank her warmly. Tell her this is really useful to hear.

Question 2

You asked the team. Rui says: "Our daily stand-up runs 40 minutes. It eats my best focus time." What do you do?

■ Answer 1	Agree it's long. Promise to look at it after the release.
■ Answer 2	Show him the data: since daily stand-ups started, rework is down.
■ Answer 3	Cut it to 15 min, credit Rui, and check in two weeks if it works.
■ Answer 4	Cut it to 15 minutes, starting Monday.

Question 3

You asked Priya. She says: "I made a mistake on the drawings last week. I was afraid to tell you." What do you do?

■ Answer 1	Thank her at the team meeting for raising it, share the new review step.
■ Answer 2	Add a second review step to the process.
■ Answer 3	Reassure her: it's fine, everyone makes mistakes.
■ Answer 4	Find out who reviewed the drawings, so it doesn't happen again.
